Request for Proposals

The Department of Social and Rehabilitation Services announces the release of a request for proposals by the Children and Family Policy Division to offer assistance to youth involved in the state Chafee Foster Care Independence Program in obtaining proficiency in the use of a computer and computer programs.

The vendor will offer three "Weekend Computer Camps" on separate weekends for a total of 60 youth identified by SRS. The camp will offer 2½ days of training by certified instructors on using the computer and computer program to enhance the youth's education and also provide skills to help obtain meaningful employment. Each participant will receive from the vendor the following: a laptop computer; a color ink-jet printer; 2½ days of training and the software in Microsoft Word, Excel and PowerPoint; Internet connectivity for one year; one e-mail account; and two nights accommodations, six meals, and a cinema ticket for Saturday evening entertainment.

Vendors interested in receiving a request for proposals should contact Deanne Dinkel at the SRS Central Office, 5th Floor South, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612, (785) 368-8184 or fax (785) 368-8159. Complete proposals must be received not later than 5 p.m. January 5.

Department of Agriculture Division of Water Resources

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Wednesday, January 14, at the offices of the Southwest Kansas Groundwater Management District No. 3, 409 Campus Drive, Suite 106, Garden City, to consider the adoption of amended regulations recommended by the Southwest Kansas Groundwater Management District Board No. 3 to the chief engineer, Division of Water Resources, Kansas Department of Agriculture. The proposals are summarized as follows:

K.A.R. 5-23-1. Adopts the statewide definition for "battery of wells," "Theis analysis" and "waste of water." Also adopts definitions for "tailwater" and "tailwater reuse system."

K.Á.R. 5-23-3. For the High Plains Aquifer, it specifies that if a fraction of an acre-foot of water is applied for, the quantity will be rounded down to the next whole number of acre-feet for applying the spacing requirements. If a well is being replaced, it is exempt from spacing requirements if it continues to meet spacing to all wells that it met spacing prior to the change and improved the spacing to all wells to which it did not meet spacing prior to the change. It also sets criteria for exempting nondomestic wells from the spacing requirement to domestic wells.

K.A.R. 5-23-3a. These amendments make the same types of changes for spacing requirements for wells in a confined aquifer. It also requires a well in the confined aquifer for 15 acre-feet or less to be 2,640 feet from the nearest point of hydraulic contact, and a well from 16 to 25 acre-feet to be 1 mile from the nearest point of hydraulic contact.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. Any interested parties may submit written comments prior to the hearing to the chief engineer, Division of Water Resources, Kansas Department of Agriculture, Attention: Leslie Garner, 109 S.W. 9th, 4th Floor, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Garner at (785) 296-4623.

Copies of the regulations and the economic impact statement may be obtained by contacting the Department of Agriculture or by accessing its Web site at accesskansas.org/kda and clicking on "Proposed Regulations."

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Thursday, January 22, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed changes in an existing rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Deletria Nash, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Deletria Nash at (785) 296-7811.

Copies of the regulation and the economic impact statement may be obtained by contacting Deletria Nash. A summary of the regulation and its economic impact follows:

K.A.R. 40-2-26. Valuation of life insurance policies. This regulation provides tables of select mortality factors and rules for their use, rules concerning a minimum standard for the valuation of plans, and the method for calculating basic reserves. The proposed amendments to this regulation adopt by reference the 2003 edition of the Valuation of Life Insurance Policies Model Regulation. This model replaces the 1998 edition, which was the version previously adopted by the Kansas Insurance Department. There are no major changes in the two versions.

The proposed amendments also cite the appropriate statutory citation of Kansas law that was previously not included.

The economic impact on the companies and on the Kansas Insurance Department is minimal because companies currently use standards in valuing their plans. There is little or no economic impact on other governmental agencies.

Opinion 2003-16A

Public Health—Solid and Hazardous Wastes—Solid Waste Tonnage Fees Authorized to be Imposed by Counties; Exceptions; Collection and Disposition of Proceeds; County Authority to Require all County Generated Waste to go to the County Owned and Operated Disposal Facility. Kimberly A. Gulley, Director of Policy Development and Communications, League of Kansas Municipalities, Topeka, October 16, 2003.

While K.S.A. 65-3405 requires a county to adopt and implement a solid waste management plan, cities are not statutorily required to comply with a plan provision requiring that all solid waste generated within incorporated cities be disposed of at the county landfill if a city ordinance provides otherwise. Upon consideration of additional factual information provided to us, those portions of Attorney General Opinion No. 2003-16 regarding a city's ability to exempt itself from a solid waste management plan are hereby withdrawn. Crimes and Punishments; Kansas Criminal Code; Classification of Crimes and Sentencing—Sentencing—Expungement of Certain Convictions, Arrest Records and Diversion Agreements.

Criminal Procedure; Kansas Code of Criminal Procedure—Offender Registration—Relief from Registration Requirement; Offenders from Other States. Larry Welch, Director, Kansas Bureau of Investigation, Topeka, July 14, 2003.

K.S.A. 2002 Supp. 22-4908 removes the power of any court to relieve a covered offender of the duty to register as required by K.S.A. 2002 Supp. 22-4201 et seq. However, registration is not required if, prior to July 1, 2001, the person qualified for and went through the processes authorized by K.S.A. 22-4908 prior to its 2001 amendment. If persons receiving an expungement prior to July 1, 2001 have not complied with the process set forth in the prior version of K.S.A. 22-4908, registration duties are not negated by an expungement order from this or any other state's courts. Automobiles and Other Vehicles—Uniform Act Regulating Traffic—Driving Under Influence of Alcohol or Drugs; Blood Alcohol Concentration; Penalties; Fourth or Subsequent Conviction. Linden G. Appel, Chief Legal Counsel, Kansas Department of Corrections, Topeka, July 24, 2003.

In view of the requirement in K.S.A. 2002 Supp. 8-1567(g) (regarding a fourth or subsequent DUI offender) that postrelease supervision commence upon expiration of imprisonment, a court should not sentence such of-

fender to serve a period of imprisonment to be immediately followed by a period of probation which in turn is followed by a one-year period of postrelease supervision. If a fourth or subsequent DUI offender's postrelease supervision is revoked, a Department of Corrections facility would be the appropriate institution in which to confine the offender. Bonds and Warrants—General Bond Law—Bond Election; Publication of Notice; Requirements.

Schools—School Unification Acts—General Obligation Bonds; Purpose of Issuance; When Election Required; Notice. Winton Hinkle, Bond Counsel, Unified School District No. 465, Wichita; William Muret, Counsel, Unified School District No. 465, Winfield, August 13, 2003.

The Kansas Supreme Court has always applied a strict rule as to notice provisions when the power of taxation is to be exercised through a special election. Voters expect and have the right to receive official notice of the date and issues to be submitted in a special election. The notice for a special bond election must comply with mandatory provisions. Failure to do so renders the election void. If a local governmental entity issues bonds based on a void election, the local government is vulnerable to litigation. Kansas courts would likely render the issuance of the bonds void as well and the local government would then be subject to significant liability, financial and legal. Accordingly, issuing bonds based on a faulty election places Unified School District No. 465 under a legal cloud. Furthermore, issuing bonds under a cloud of doubt can affect the aftermarket value of the bonds, incurring additional costs to the district.

The notice provided to the electors of Unified School District No. 465 (U.S.D. No. 465) did not include information regarding the types of projects that would be financed through the bonds, the costs of the projects, the total amount of bonds to be issued, the projected amount of interest to be paid on the bonds, the projected amount of annual principle and interest payments, or the projected rate and source of taxation required to retire the bonds. Under such circumstances, the electors of U.S.D. No. 465 did not receive official notice of the special bond election that was conducted on June 3, 2003. Kansas law is very specific and provides significant guidance regarding the notice provisions required in a special election. Following such guidance insures compliance with the law, however, in this instance, as you present the facts, the law was not followed. The election is thus void, and U.S.D. No. 465 does not have authority to issue bonds pursuant to K.S.A. 72-6761.

Because no valid special bond election has been called and conducted, K.S.A. 25-2019 does not prohibit the Board of Education for U.S.D. No. 465 from calling a special bond election the remainder of the 2003 calendar year. Cited herein: K.S.A. 10-120; 10-120a; 25-431; 25-702; 25-716; 25-2019; 72-6761; 75-2317; L. 1987, Ch. 126, § 1. Cities and Municipalities—Public Recreation and Playgrounds—Annual Budget; Hearing Notice; Tax Levy; Increase in Levy; Subject to Protest; Annual Audit; When Required.

Taxation—Aggregate Tax Levy Limitations—Suspension of Tax Levy Limitations. John R. Dowell, Franklin County Attorney, Ottawa, August 25, 2003.

Under the circumstances recited herein, where a statute is cited in a published notice announcing who may petition against a recreation commission's mill levy increase, the statute controls over incorrect wording in the notice where a reading of the statute by concerned voters would have placed them on notice that they could petition. The publication requirement of K.S.A. 79-2302 is not satisfied by posting solely the Computer Assisted Mass Appraisal (CAMA) number of real estate. Upon payment in full of delinquent taxes, a taxpayer's name may be removed from the delinquent taxpayer publication list envisioned by K.S.A. 79-2303. Cited herein: K.S.A. 79-2302; 79-2303. RJD

Public Health—Local Boards of Health; Clinics—County Health Funds; Health Buildings; Garbage and Trash Disposal; Tax Levies, Use of Funds to Support Private Corporation.

State Departments; Public Officers and Employees—Kansas Tort Claims Act—Claims to Which Act Applicable; Municipalities. Philip E. Winter, Lyon County Counselor, Emporia, October 16, 2003.

The Board of Commissioners of Lyon County and the Kansas Department of Health and Environment (KDHE) have sufficient authority to contractually delegate nonlegislative health related functions to Flint Hills Community Health Center, Inc. for the purpose of carrying out statutory health related duties and functions otherwise vested in those public entities. K.S.A. 65- 204(a)(1) allows expenditures of taxes levied under that statute for any purpose that will assist the county in carrying out the health laws and regulations of the county and state, which may include paying Flint Hills, Inc. to assist with such purposes. Pursuant to K.S.A. 75-6102(d), 75-6102(h) and 75-6115, employees of an indigent health care clinic are covered by the Kansas Tort Claims Act if they are employees of a municipality or state agency or there is a contractual relationship between such a clinic and the KDHE. Intoxicating Liquors and Beverages—Licensure and Regulation of Sale of Liquor by the Drink—Qualifications for License. Joan Wagnon, Secretary of the Department of Revenue, Topeka, October 16, 2003.

K.S.A. 2002 Supp. 41-2623(b)(1) prohibits issuing a club or drinking establishment license to any person who does not own the premises for which a license is sought or does not have a written lease thereon for at least 3/4 of the period for which the license is to be issued. Representative Kenny A. Wilk, 42nd District, Lansing; Senator Nick Jordon, 10th District, Shawnee, October 29, 2003.

Under the Land and Recreational Area Act, an owner of agricultural land may operate under statutory protection from liability for ordinary negligence whether or not a fee is charged for recreational use of the land, but an owner of nonagricultural land operates under this statutory protection only if a fee is not charged. "Recreational purpose" includes, but is not limited to, hunting, fishing, swimming, boating, camping, picnicking, hiking, pleasure driving, nature study, water skiing, winter sports, and viewing or enjoying historical, archaeological, scenic, or scientific sites. Corporations—Telegraph, Telephone and Transmission Lines—Rights, Powers and Liabilities of Telecommunications Service Providers; Occupation of Public Right of Way; Prohibition of Use; Definition of "Public Right-Of-Way." Senator Karin Brownlee, 23rd District, Olathe, October 29, 2003.

K.S.A. 2002 Supp. 17-1902 addresses the rights and duties of cities and telecommunication service providers with respect to "public rights-of-way." A utility easement that has been dedicated to a city is not a "public right-of-way" as that term is defined by K.S.A. 2002 Supp. 17-1902. Kansas Dental Board

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Friday, January 16, in Room 106 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the revocation of rules and regulations of the Kansas Dental Board.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed revocation of the rules and regulations. All parties may submit written comments prior to the hearing to the secretary-treasurer of the Kansas Dental Board, Room 564-S, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the revocation of the regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the regulations proposed for revocation in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting the Dental Board office at the address above, (785) 296-6400. Handicapped parking is located at the south end of Landon State Office Building, and the north entrance to the building is accessible to individuals with disabilities.

Copies of the regulations and their economic impact statements may be obtained by contacting the Kansas Dental Board. A summary of the regulations proposed for revocation follows:

K.A.R. 71-1-1. Retention of applicant's work. This regulation dealt with the board retaining work performed during a licensing examination. It is considered self-directive and unnecessary.

K.A.R. 71-1-2. Passing grade. This regulation required a passing grade on a licensing examination. It is considered to be unnecessary. The same requirement exists in K.S.A. 65-1428 (c).

K.A.R. 71-1-3. Examinations required by the board. This regulation required passage of an examination con-

ducted by the national board of dental examiners and a clinical examination approved by the board. It is considered to be unnecessary. The same requirements are contained in K.S.A. 65-1428.

K.A.R. 71-1-8. Time for holding specialist examination. This regulation provided that specialty examinations would be held once a year. It is considered selfdirective and unnecessary.

K.A.R. 71-1-10. Dental intern permit required. This regulation is considered to be unnecessary. The board no longer issues dental intern permits.

K.A.R. 71-1-11. Examination fee. This regulation allowed the Dental Board, in its discretion, to retain a license fee. It is considered self-directive and unnecessary.

K.A.R. 71-2-1. Time for filing applications. This regulation required a specialty applicant to file an application 60 days before the test. The requirement of applying 60 days before the examination is considered to be unnecessary.

K.A.R. 71-2-4. Manner of processing applications. This regulation described how the Dental Board would process specialty applications. It is considered self-directive and unnecessary.

K.A.R. 71-2-9. Specialist examinations. This regulation established requirements for a specialty examination. It is considered self-directive and unnecessary..

K.A.R. 71-2-12. Evidence supporting qualifications. This regulation required that materials submitted in support of a specialty application be verified as the applicant's work. It is considered self-directive and unnecessary.

K.A.R. 71-3-5. Use of letters to designate dental hygienist registration. This regulation allowed dental hygienists to use the designation "R.D.H." It is considered unnecessary. The subject was moved to another regulation.

K.A.R. 71-4-3. Continuing dental education reports. This regulation requires a renewal applicant to submit proof of continuing education. It is considered unnecessary. The same requirement appears in K.S.A. 65-1431.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1:30 p.m. Wednesday, January 21, in Room 530, Curtis State Office Building, 1000 S.W. Jackson, Topeka, to consider the adoption of amended solid waste regulations K.A.R. 28-29-75, 28-29-76, 28-29-77, 28-29-78, 28-29-80, 28-29-81 and 28-29-82. These amended regulations apply to solid waste management planning.

The regulations are proposed to be adopted on a permanent basis. A summary of the proposed regulations, their environmental benefit and the estimated economic impact follows:

K.A.R. 28-29-75. Solid waste management plans and committees. This regulation is proposed to be amended to include the general provisions for the preparation, adoption and submission of a SWM plan.

K.A.R. 28-29-76. The solid waste management committee. This regulation describes the duties of the SWM committee. It is proposed to be amended to allow 60 days to inform KDHE of formation of the SWM committee or changes in chairperson or contact person of the SWM committee. The proposed amendment requires the following information in addition to the names of the committee members: address, telephone number, and who the member represents. The language stating the duties of the SWM committee has been deleted, since the duties are specified in statute.

The requirement for the county commission to submit an annual report on the progress of the SWM committee has been deleted, since all relevant information will be contained in the annual review required by proposed 28-29-80.

K.A.R. 28-29-77. The SWM plan. K.A.R. 28-29-77 previously addressed adoption of the SWM plan; that information has been moved to proposed K.A.R. 28-29-78. Proposed K.A.R. 28-29-77 now addresses the contents of the SWM plan, which was previously contained in K.A.R. 28-29-80.

Proposed K.A.R. 28-29-77 clarifies the requirements for the SWM system and the content of SWM plans as described in K.S.A. 65-3404(j). The changes listed below compare proposed K.A.R. 28-29-77 to the previous version of K.A.R. 28-29-80.

The list of wastes requiring special management has been adjusted to include items not listed in the current regulation. A 10-year implementation timetable and financing plan are required along with a description of local regulations and governmental responsibilities.

The proposed regulation includes provisions and time limits for developing a new SWM plan when a county withdraws from a regional plan. It also specifies that a county withdrawing from a regional SWM plan is subject to the conditions of the previous plan until a new plan is approved by the secretary. The proposed regulation adds a requirement for maintaining a public copy of the SWM plan.

K.A.R. 28-29-78. Review and adoption of a new SWM plan. K.A.R. 28-29-78 previously addressed exclusion of a city from a county SWM plan. The provision allowing a city to be excluded from a county's SWM plan was removed from statute, so the implementing regulatory language is being deleted.

Proposed K.A.R. 28-29-78 describes the process for establishing a SWM plan when a change in the planning authority requires a new plan. Previously, adoption of plans was addressed in K.A.R. 28-29-77. Since each county of the state now has an approved SWM plan, proposed K.A.R. 28-29-78 addresses replacement plans.

The changes listed below compare proposed K.A.R. 28-29-78 to the previous version of K.A.R. 28-29-77.

Proposed K.A.R. 28-29-78 specifies that the SWM committee is responsible for submitting the SWM plan to the planning agencies for review, as required by K.S.A. 65-3405(k), and allows the SWM committee to revise the plan based on comments received. It also requires the county commission or governing body of a designated city to inform the SWM committee of adoption of the plan.

K.A.R. 28-29-79. Approval of the SWM plan by the secretary. K.A.R. 28-29-79 previously described joint SWM plans between cities and/or counties. This language is proposed to be deleted, since regional SWM plans and planning by designated cities are described in K.S.A. 65-3405. K.S.A. 65-3405(l) authorizes the secretary to approve or disapprove SWM plans. Proposed K.A.R. 28-29-79 describes how the SWM plan is submitted to the secretary, what supporting material is required, the process for disapproval of plans by the secretary and resubmittal by the county commission, governing body of a designated city, or the SWM committee. The requirement from the previous version of K.A.R. 28-29-79 to submit certification of adoption to the department is retained in this regulation as part of the approval process.

Approval of SWM plans by the secretary was previously contained in K.A.R. 28-29-81. The changes listed below compare proposed K.A.R. 28-29-79 to the previous version of K.A.R. 28-29-81.

The criteria for approval of SWM plans are not included in the proposed regulation since the requirements for SWM plans are set forth in K.S.A. 65-3405 and proposed K.A.R. 28-29-77.

Language concerning the right to a hearing if the secretary disapproves a SWM plan has been eliminated since it is already stated in K.S.A. 65-3405(l).

Proposed K.A.R. 28-29-79 specifies which documents must accompany the plan.

K.A.R. 28-29-80. Annual reviews of the SWM plan. K.A.R. 28-29-80 previously addressed SWM plan contents. Plan contents will now be addressed in the proposed regulation K.A.R. 28-29-77.

Proposed K.A.R. 28-29-80 concerns performing and submitting the annual review of the SWM plan as required by K.S.A. 65-3405. Some of the annual review process is set forth in different subsections of K.S.A. 65-3405, but the process was not previously addressed in regulation. Proposed K.A.R. 28-29-80 consolidates, organizes and clarifies the annual review process for SWM plans.

K.A.R. 28-29-81. Five-year reviews of the SWM plan. K.A.R. 28-29-81 previously addressed KDHE approval of

the SWM plan. Approval of SWM plans will now be addressed in proposed K.A.R. 28-29-79.

Proposed K.A.R. 28-29-81 clarifies the process of performing and submitting five-year reviews of SWM plans as required by K.S.A. 65-3405. Some of the five-year review process is set forth in K.S.A. 65-3405, but the process was not previously addressed in regulation. Proposed K.A.R. 28-29-81 consolidates, organizes and clarifies the five-year review and revision process for SWM plans.

K.A.R. 28-29-82. Revisions to the SWM plan. This regulation concerns revisions to SWM plans. It is proposed to be amended to address not only revisions required by the department when existing plans are found to be inadequate, but also revisions connected with five-year reviews and unscheduled revisions made to reflect changes to the SWM system.

Proposed amendments provide criteria for determining when a SWM plan must be revised and when an opportunity for public input on the revision is required. The proposed amendments describe the process for review, adoption and approval of SWM plans.

The proposed amendments will not add any additional costs to the regulated community other than those contained in the statutes that they implement. The fiscal note for H.B. 2704 (2002 legislative session), which amended the SWM planning statutes, did not include any additional costs to planning authorities. Opportunities for public input specified in the proposed regulations may be accommodated without extra cost through regular meetings of county commissions.

KDHE will have the responsibility for implementing and enforcing the proposed amendments to the regulations. The proposed amendments will not result in an increase in cost to the agency or an increase in paperwork. Paperwork may decrease as planning authorities have a clearer guide for submitting SWM plans, reviews and revisions

The time period between publication of this notice and the scheduled hearing serves as the required public comment period of at least 60 days for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to George McCaskill, Department of Health and Environment, Bureau of Waste Management, 1000 S.W. Jackson, Suite 320, Topeka, 66612-1366. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and regulatory impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting George McCaskill at (785) 296-1606, fax (785) 296-8909.

Complete copies of the proposed regulations and the corresponding regulatory impact statement may be obtained on the Bureau of Waste Management's Web site, www.kdhe.state.ks.us/waste, or by contacting the Bureau of Waste Management.

Kansas Permit No. M-KS45-OO01 Federal Permit No. KS0055492

Legal: NE1/4, S5, T12S, R25E, Johnson County

Facility Description: The proposed action is to modify an existing permit for an existing wastewater treatment facility treating primarily domestic wastewater. The current permit contains a schedule of compliance requiring the permittee to conduct a series of acute whole effluent toxicity (WETa) tests at various pH levels to determine if conditions in the test method are causing temperature-induced ammonia toxicity during the laboratory WET test. Results of the study provided sufficient evidence that winter time toxicity was being induced by the test procedure rather than as a result of the concentrations of parameters in the wastewater. Therefore, the current permit is being modified to implement the results of the study. The modification will result in a change of the winter time No Observed Effect Concentration (NOEC) limit of 96% effluent to 50% effluent. The summer time NOEC limit of 96% effluent will remain unchanged. The modifications provided in the permit are made pursuant to Kansas and federal regulations and rules and are water-quality based.

Legal Description: NE1/4, S4, T34S, R25E, Cherokee County

Facility Description: The proposed action is to reissue an existing permit for operation of an existing wastewater treatment facility treating a combination of process wastewater, contaminated groundwater and stormwater runoff. This facility produces speciality carboxylic acids and anhydrides that are used as epoxy curing agents and as intermediates in the production of high temperature polymers. Fine chemical products and intermediates are manufactured for pharmaceutical and agricultural industries. Laboratory rinse, boiler blowdown, cooling tower blowdown, steam condensate, sandvik cooling water, commingled with contaminated groundwater and stormwater runoff (outfall 001AG) are directed to a constructed wetland treatment prior to discharge (outfall 001A1) to Lake Oxbow and intermittently to the Spring River (outfall 002). The proposed permit includes limits for oil and grease, nitrate/nitrite, 1,2-dichloroethane, 1,1,2-trichloroethane, tetrachloroethylene and pH. Monitoring for ammonia, total recoverable cadmium, total recoverable copper, total recoverable lead and total recoverable zinc also is required. The permittee will be required to perform a VOC scan annually during the life of this permit. Included in this permit is a schedule of compliance requiring the permittee to submit a summary of all monitoring data to date for cadmium, copper, lead and zinc by February 28, 2007. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Facility Operator/Permittee: Day and Zimmerman, Inc.

Facility Description: This facility is a government-owned, contractor-operated military industrial installation engaged in an ammunition load/assemble/pack operation. The proposed action is to reissue an existing permit for operation of an existing wastewater treatment facility. Discharge occurs from the following outfalls: 002: Garage and vehicle wash rack waste and stormwater runoff; 003: load, assemble and pack of ammunition items containing RDX, TNT and stearic acid, wash water collected in a sump, batch treatment through a combination of diatomaceous earth filters and carbon ab-

sorption columns, and stormwater runoff; 004: sanitary sewage and pretreated process wastewater (outfall 007) is treated in a grit chamber, two primary settling basins, a dosing tank, an anaerobic sludge digester, two rock media trickling filters and a secondary clarifier, and UV treatment is discharged through a flow meter/totalizer, sludge is treated by anaerobic digestion, dried on sand drying beds, and periodically disposed at a landfill; 007: Load, assemble and pack of ammunition items containing lead azide, RDX, TNT, tetracene, antimony sulfide etc., wash water collected in 14 sumps, is desensitized by acetic acid and NaOH, lead precipitation, coagulation, vacuum filtration, then discharged to sewage treatment plant; 009: Currently inactive load; 010: Potential load, assemble and pack of ammunition items containing RDX, HMX and TNT, wash water collected in sump, filtered through diatomaceous earth filter and carbon absorption filters prior to discharge to surface; 011: Potential load, assemble and pack of ammunition items containing RDX and TNT, wash water collected in sumps, filtered through diatomaceous earth filter, carbon absorption filters, two chamber settling basin with anthracite bed filter prior to discharge to surface, treating a combination process wastewater and stormwater runoff. The proposed permit includes limits for oil and grease, RDX, TNT, total suspended solids, ammonia, biochemical oxygen demand, antimony, total lead, fecal coliform, RDX+HMX and pH. Monitoring of effluent flow also will be required. The permittee will be required to perform a chronic whole effluent toxicity test on outfall 004 and an acute whole effluent toxicity test on outfalls 010 and 011 within 180 days of the issuance of this permit. Included in this permit is a schedule of compliance requiring permittee to develop and implement a storm water pollution prevention (SWPs) plan within one year of the effective date of this permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Facility Description: The proposed action is to reissue an existing permit for operation of the existing wastewater treatment facility treating primarily domestic wastewater. Included in this permit is a schedule of compliance requiring the permittee to obtain the services of a KDHE-certified wastewater treatment plant operator to achieve

compliance with this permit. Discharge of wastewater from this treatment facility to surface waters of the State of Kansas is prohibited by this permit.

Persons wishing to comment on or object to the draft permits and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments or objections considered in the decision making process. Comments or objections should be submitted to the attention of Glenda Newquist for agricultural permits or applications, or to the permit clerk for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft permit or application notice postmarked or received on or before December 13 will be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate Kansas permit number (KS-AG-03-279/282, KS-03-166/172, KS-ND-03-031) and name of applicant/application as listed when preparing comments.

If no objections are received during the public notice period regarding any proposed permit, the Secretary of Health and Environment will issue the final determination regarding issuance or denial of the proposed permit. If response to this notice indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). Media coordination for publication and/or announcement of the public notice or public hearing is handled by the Kansas Department of Health and Environment.

For agricultural permits and applications, a copy of the permit application, supporting documentation and a KDHE-developed fact sheet, if appropriate, is available for review at the appropriate district office:

Northwest District Office, 2301 E. 13th, Hays, 67601-2651, (785) 625-5664

State of Kansas Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Tuesday, December 2, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the respective borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond of acquiring the project or for the purpose of refunding a bond previously issued to finance the project. The project shall be located as shown:

Project No. 000585—Maximum Principal Amount: **\$27,750.** Owner/Operator: Travis J. Janssen. Description: Acquisition of 15 registered Red Angus cows to be used by the owner/operator for farming purposes. The project is located at Section 25, Thomas Township, Ellsworth County, Kansas, approximately 1.5 miles north of Geneseo on 18th Road and .25 mile west on Avenue X.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project

may be obtained by contacting the KDFA.

Any individual affected by the above-described project may, at or prior to the hearing, file a written request with the KDFA that a local hearing be held on the proposal to issue a bond to finance said project. A local hearing, if requested, would be conducted in the county where the project in question is located.
